Dear Tyler Undergraduate Photography Students,

I am curating an exhibition of student work for the 2019 Pingyao International Photography Festival. The exhibition will consist of photographs from a select number of undergraduate students that attend MICA, PCA&D, Tyler and UArts. Each participant will show several photographs in order to represent a fully-realized body of work. Quality of visual communication, craft, and diversity of photographic strategies will be the main criteria. Your artist statement and portrait/headshot will be exhibited next to your photographs.

Please submit up to eight files from one series for consideration.

Send files to eweeks@pcad.edu in one email with the following protocols:
